In Workspace Desktop Edition, the Genesys Predictive Engagement tab displays customer journey information.

The Genesys Predictive Engagement tab in Workspace Desktop Edition

The screenshot displays the Genesys Predictive Engagement interface within the Workspace Desktop Edition. The interface is divided into several sections:

- Workspace Header:** A grey bar at the top with the word "Workspace" on the left and a search bar.
- Left Sidebar:** A vertical bar with labels "ALTOCLOUD", "CONTACT", and "RESPONSES". It contains a "Send" button and a "Browse" button.
- Visitor details:** A section showing "Visits: 5" and "John Doe" with status "Online now". It includes contact information: email (john.doe@example.com), phone (+3538272635252), and address (Vodafone Ireland, 0916253671).
- Visit details:** A section showing "Duration: 1 minute" and "Today at 3:27 PM". It includes a "Show a different visit" dropdown.
- Customer journey:** A section showing "Page views: 12" and a "Hide" button. It features a timeline with icons for "Page" (toggle), "URL", "Home insurance", "Auto insurance", "Life insurance", and "Quote details".
- Matched segments:** A section showing segments like "Firefox user", "Hot prospect", "Requested quote", "Requested payment", and "Vodafone Ireland".
- Outcome scores:** A section showing scores for "Requested quote" and "Made payment" with corresponding progress bars.
- Additional information:** A section showing location (Galway, Ireland), device (Desktop), OS (Windows 10), and browser (Mozilla Firefox 61.0.2).

To access the Genesys Predictive Engagement Plugin during interactions, click the **Genesys Predictive Engagement** tab in your Genesys Multicloud CX Workspace.
