Upgrade Interaction Server

Update Docker image versions in the values file or get a new Helm chart. Then install it with the following command:

```
helm upgrade --install -f
```

Rollback Interaction Server

Set previous Docker image versions in the values file or get a previous Helm chart. Then install it with the following command:

```
helm upgrade --install -f
```

Uninstall Interaction Server

```
helm uninstall
```

Manually delete all external secrets, if needed.
