In the **Twitter** section under **Desktop Options**, configure the following options:

- **Twitter Auto Answer** automatically accepts a Twitter interaction when an Invite event is received.
- **Prompt for Done** prompts a confirmation message when the agent clicks **Done**.
- **Twitter Ringing Bell** specifies the sound played when a Twitter interaction is ringing.
- **Decline** allows the agent to decline an incoming interaction. This option depends on the Channels option for Twitter.
- **Mark Done** allows the agent to mark an interaction as **Done** with further processing. This option depends on the Channels option for Twitter.
- **One-step transfer** allows the agent to use one-step transfer.
- **Set Interaction Disposition** allows the agent to set a disposition code before marking an interaction as **Done**. This option depends on the Channels option for Twitter.
