Reports in the **Predictive Routing** folder are ready-to-use, but as always, can be modified to suit your specific business needs.

### Important

Some CX Insights reports can return empty data if they depend on a solution that is not deployed for you, or is not available in the cloud. For example, this applies to reports and dashboards in the **Chat**, **Chat bot**, and **Predictive Routing** folders.

## About Predictive Routing reports and dashboards

The following reports and dashboards are available in the **CX Insights > Predictive Routing** folder:

- Predictive Routing - AHT & Queue Dashboard
- Predictive Routing - Model Efficiency Dashboard
- Predictive Routing A/B Testing Report
- Predictive Routing Agent Occupancy Dashboard
- Predictive Routing Detail Report
- Predictive Routing Operational Report
- Predictive Routing Queue Statistics Report
