Agent

Review and manage your shift trade proposals and responses.

#### **Related documentation:**

•

Use the **Trading** views (Proposals and My Trades) to review proposals and responses by performing the tasks described in this topic. Use the **Schedule** views to create trade proposals.

## Reviewing other agents' proposals

Use the **Proposals** view to:

- Review trade proposals that another agent has sent specifically to you.
- Review trade proposals that other agents have sent to the community.
- · Accept or decline proposals.

#### **Tip**

Depending on WFM Web's setup at your site, community proposals can be offered to all agents on your team or to all agents on all teams.

To find out how to navigate the **Proposals** view and see descriptions of its controls and columns, see Viewing proposals.

#### About the Proposals table

The table shows all proposals whose first day falls within the selected month, and whose status is Open (they have not expired, are not in review, and have not been accepted, confirmed, declined, or cancelled). The table is sorted by the first date of each proposal.

The proposing agent's name is in the first row of the proposal:

- Click the link in the agent's name in either row if you want to display his/her proposal details.
- · Click the link in your name in either row if you want to display your schedule details. See Proposals view: Proposal and schedule details.

To learn how to expand the table to see additional rows, see Finding details in the grid.

# Reviewing responses to proposals

Use the My Trades view to:

- · Review trade proposals that you have sent to the community or an individual, along with their status and any responses.
- Review your responses to other agents' schedule trade proposals or community proposals.
- Review the status of proposals to which you have responded.
- Cancel a pending response, if you change your mind.
- Cancel your own pending trade proposal, if you change your mind.

The window includes standard date selectors and a table of proposals and responses, whose general controls are described in Viewing my trades.

#### About the Trades table

The table shows all of your trades and responses to proposals whose first date is within the selected month. It is sorted by the first date of each trade.

For each trade, the **Agent name** column shows the agent who posted each original proposal:

- Click the link in the agent's name in either row if you want to display his/her proposal or request details.
- Click the link in your name in either row if you want to display your proposal or request details.

See My trades view: Proposal and request details.

#### More trade statuses

The statuses described in this table do not require any action on your part, but you will see them when you are reviewing proposals and trades.

- **Confirmed**—Both you and the other agent accepted the proposal, and the trade received either automatic or supervisor approval. Your trade has executed.
- **Declined**—The proposal/response was declined by either the proposing agent/responding agent (in the case of a personal proposal), by a supervisor, or by WFM. The trade will not take place.
- **Cancelled**—Either you explicitly cancelled your proposal/response, the other agent cancelled the original proposal, or WFM automatically cancelled the pending trade (because of changes to your schedule or the responding agent's schedule). The trade will not take place.
- **Expired**—The proposal did not receive approval by the day before its first included day. The trade will not take place.
