The **My Schedule Details** view displays the same information as the My Schedule view, but in a different format. It shows what activities you are scheduled to perform each day and displays information about meals and breaks, your time off, exceptions, and days off.

Columns and controls

The screenshot shows the 'My Schedule Details' interface. It features a table with columns for Date, Time, Paid hours, Type, and Item Name. The table lists activities for December 5, 6, 7, 8, 9, and 10, 2016. Annotations highlight specific features:

- "Print" and "Settings" icons:** Located in the top right corner of the interface.
- Total paid hours for the selected date range:** A summary bar at the bottom right showing 'Paid hours 48:45'.
- Paid hours per item:** Points to the 'Paid hours' column in the table.
- Type of work with identifying colors:** Points to the 'Type' column, which uses color-coded squares (blue for Shift/Work, green for Time off) to identify activities.

In addition to the common controls described in **My Schedule**, this view has these additional columns and controls:

- **Print icon**—Opens a separate window, displaying your schedule details in a printer-friendly format. See [Printing Your Schedule Details](#).
- **Settings icon**—Opens a dialog box that enables you to select the information you want to see in the schedule details grid. See [Changing Settings in the Schedule Details View](#).
- **Date column**—Shows each date in your schedule for the selected date range.
- **Time column**—Shows when you are scheduled to start and end your shift and the start and end time for each schedule item during your workday.
- **Paid hours column**—Shows the total paid hours for each workday item. Items that are not paid are shown as 00:00. (The total paid hours for the period are displayed in the bottom-right corner of this view.)
- **Type column**—Shows the type of each item (with its identifying color) in the workday.
- **Item Name column**—Shows the name of each item in the workday.

Changing the view settings

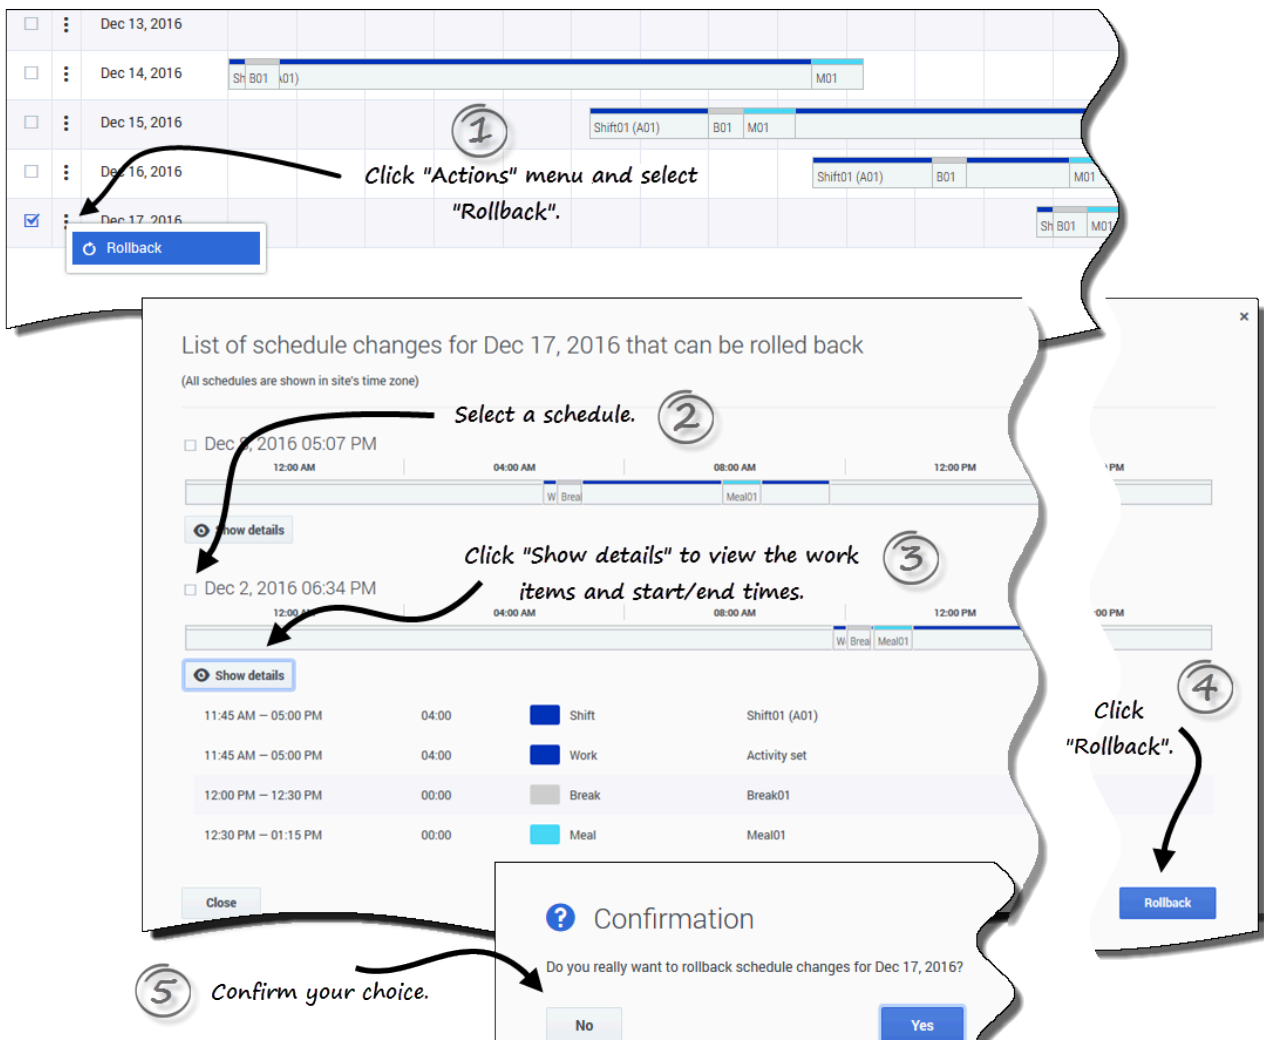

To change the information that is displayed in the **My Schedule Details** view:

1. In the upper-right corner of this view, click the **Settings** icon.
The Schedule Details Settings dialog box opens.
2. In the **Show Schedule For** list, choose the time period by clicking one of the six radio buttons (shown in the graphic).

3. Check the **Show Schedule States Legend** check box to see the legend at the bottom of this view.
4. Check the **Trading Date** check box if you want to see that column in the schedule grid.
5. Check the **Use contract hours** check box if you want to see only the range of hours in your contract.
6. Click **OK** to display your selections, or **Close** to discard them.

Rolling back schedules

In this view, you can click **Actions**  to open a drop-down list, enabling you to roll back a published schedule. Selecting **Rollback** in the list rolls back any schedule changes you've made (for example, if an exception was auto-committed immediately) and reverts your schedule to the previous state.

The screenshot illustrates the process of rolling back a schedule in a software interface. It includes several windows and a confirmation dialog, with numbered callouts (1-5) indicating the steps:

- Click "Actions" menu and select "Rollback".** This step points to the 'Actions' menu (three dots) and the 'Rollback' option in the dropdown list for Dec 17, 2016.
- Select a schedule.** This step points to the 'List of schedule changes for Dec 17, 2016 that can be rolled back' window, specifically to the first schedule entry: Dec 17, 2016 05:07 PM.
- Click "Show details" to view the work items and start/end times.** This step points to the 'Show details' button for the selected schedule.
- Click "Rollback".** This step points to the 'Rollback' button in the confirmation dialog.
- Confirm your choice.** This step points to the 'Yes' button in the confirmation dialog.

The 'List of schedule changes' window displays a table of schedule items for Dec 17, 2016:

Time Range	Start	End	Type	Item Name
11:45 AM – 05:00 PM	04:00		Shift	Shift01 (A01)
11:45 AM – 05:00 PM	04:00		Work	Activity set
12:00 PM – 12:30 PM	00:00		Break	Break01
12:30 PM – 01:15 PM	00:00		Meal	Meal01

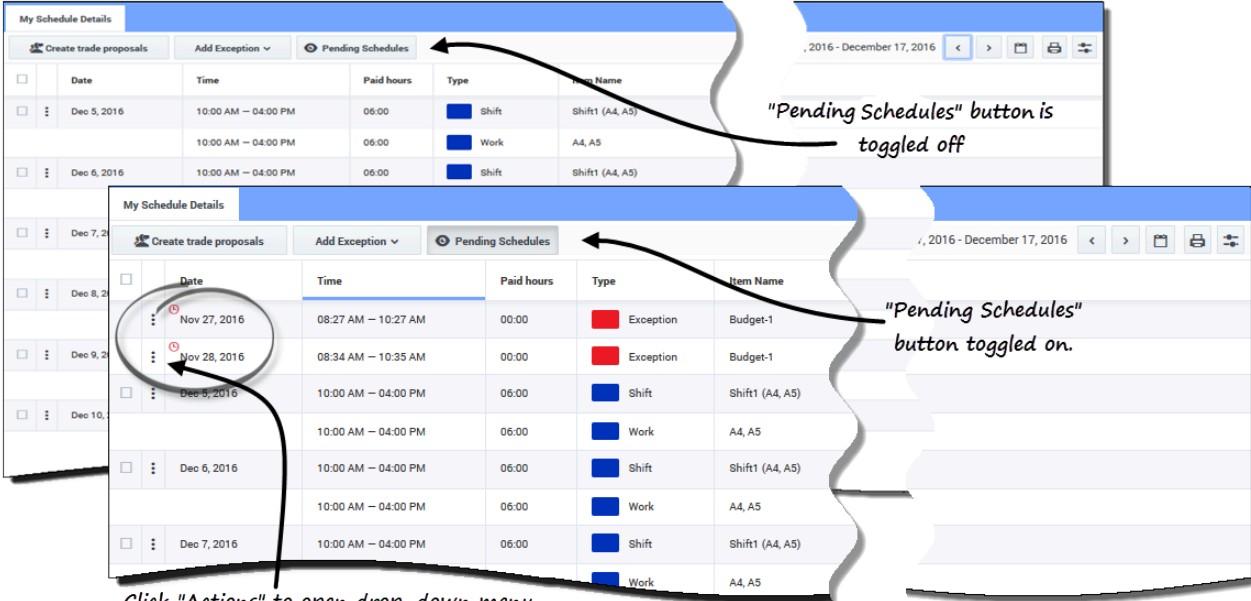

The confirmation dialog asks: "Do you really want to rollback schedule changes for Dec 17, 2016?" with 'No' and 'Yes' buttons.

To roll back a schedule:

1. In the row that contains the schedule you want to roll back, click **Actions** .
2. Select **Rollback**.
A dialog opens containing a list of schedules that can be rolled back, if any are available.
3. (Optional) Click **Show details** to view all of the work items in this schedule and their start/end times.
4. Select the schedule you want to roll back, and click **Rollback**.
5. When the Confirmation dialog opens:
 - Click **Yes** to roll back the changes.
The schedule is restored to its previous state and appears in the Schedule views.
 - Click **No** to discard the changes and close the dialog.

Deleting pending schedule changes

At the top of this view, toggling on the Pending Schedules button displays changes that are requested but not yet approved. Clicking **Actions**  opens a drop-down list, enabling you to delete pending changes in your schedule that are not yet approved by your supervisor.

"Pending Schedules" button is toggled off

"Pending Schedules" button toggled on.

Click "Actions" to open drop-down menu and select "Delete pending".

To delete pending changes in your schedule:

1. In the row that contains the schedule you want to change, click **Actions** .
2. Select **Delete pending**.

3. When the Confirmation dialog opens, click **Yes** to delete pending changes or **No** to cancel the action and close the dialog.
The pending changes are deleted.

Viewing trade requests

If your site allows schedule trading, there might be a **Trade Requests** button at the top of this view. This button indicates that there are open trade proposals or responses and shows the number of unanswered requests in brackets. The button displays only if there are open proposals awaiting your response.

See Viewing Trade Requests in the Schedule topic for more information about the dialog that opens when you click this button.
