Workforce Management Agent Help

Viewing other schedules

5/15/2026

Contents

-

  - Agent

Filter, sort, and search for other agent's schedules.

Related documentation:

  -

The **Other Schedules** view displays a filterable, sortable, and searchable grid that lists other agents and their schedules. It has the following columns:

- **Agent**—Displays the name of the agent whose information appears in that row.
- **Site**—Displays the name of the agent's site.
- **Team**—Displays the name of the agent's team.
- Days of the week (one column for each)—Displays the agent's schedule information for that weekday. Click any work item in a specific agent's row to open the **Schedule Details** dialog box which contains all of the details about that particular work item.

## Sorting the displayed data

Sort controls

Click the **Agent**, **Site**, or **Team** column header to sort ⟷ the data in that column in ascending or descending order.

You can also use the number keys on your keyboard.

> ## Tip
> The **Site** and **Team** columns are visible only if you selected them in the **Settings** dialog in this view.
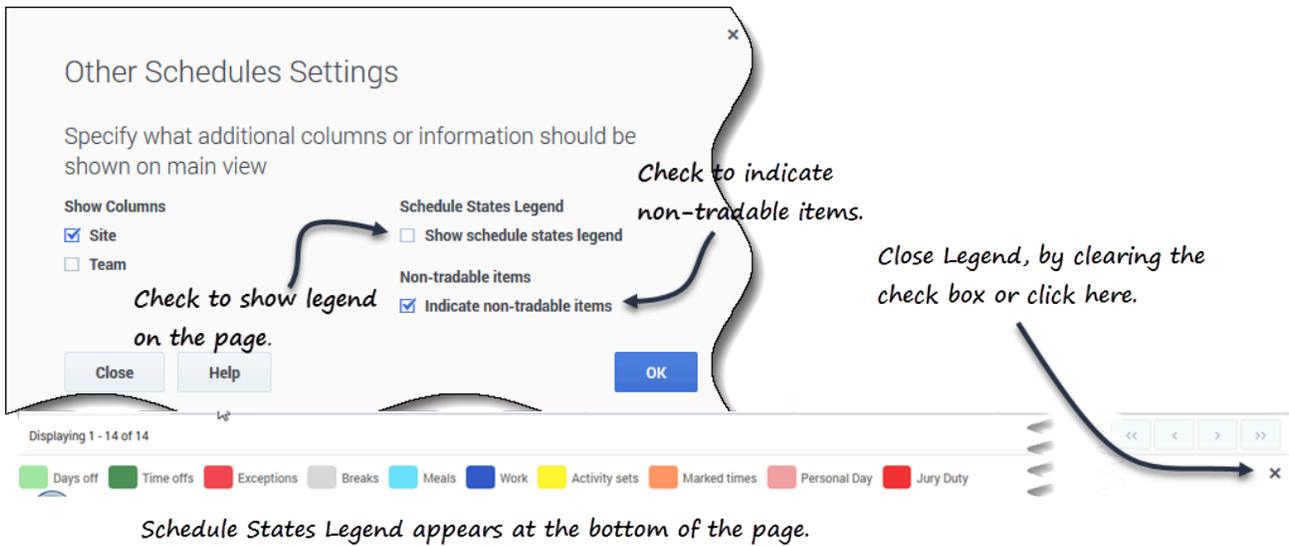

Searching for agents

Make a selection and then enter the name in the search field.

In the **Search** field, use the drop-down menu to search for agents.

- From the drop-down list, select **First name** or **Last name** and enter the agent's name in the search field.

Displaying 1 - 14 of 14

Days off | Time offs | Exceptions | Breaks | Meals | Work | Activity sets | Marked times | Personal Day | Jury Duty

Schedule States Legend appears at the bottom of the page.

Click **Settings** [icon] to specify what additional columns or other information to show in the grid. You can choose to add the **Site** and/or **Team** columns, show a legend for **Schedule States**, and/or **Indicate non-tradable items** in schedules.

Filtering the displayed data

Click **Filter** ▽ to open the dialog box, where you can click the corresponding radio button to limit the display to one of these choices:

- **People I work with** (the default)
- **My shared transport** (displayed only if the agent joined any shared transport)
- **My team**
- **My site**
- **My business unit**

> **Tip**
> You will see only the filtering options made available to you, as configured by your supervisor or a site administrator.

Viewing other agents' schedule details

You can view the schedule details of other agents and create trade proposals in this view. It's as easy as clicking on any weekday column in the row that contains the agent's name to whom you want to propose a trade.

Viewing schedule details

To view other agents' schedule details:

1. In the row containing the agent's name with whom you want to trade, click the weekday.
    The selected agent's schedule details open for that day.

2. If you want to view the agent's schedule details for more than one day, click the agent's name.
    The selected agent's schedule details open for that week.

3. If the dates and times in the schedule details are suitable, create a trade proposal for this agent.

4. If you only want to view the details and are satisfied, click **Close**.

Creating the trade proposal

Schedule Details

Click here to select this shift for a trade.

Click to create the trade proposal.

Create trade proposals

Click this box if you want a manual response to the proposal.

Add comments applicable to this trade.

Click to create the trade proposal.

To create and send a trade proposal to the agent:

1. In the **Schedule Details** window, click the check box near the weekday name.
   If you select at least one check box, the Create trade proposals button is enabled. To select all days in the dialog select the top-most check box.

2. Click **Create trade proposals**.
   The Create trade proposals window opens.
   If applicable, click the Check if you want to manually approve the response to this trade proposal check box.

3. In the **Comments** field, enter any information about this trade that you want the receiving agent or your supervisor to know.

4. Click **Create**.

5. The **My Trades** view opens and the trades is added to your list of trades.
