Setting up Genesys Multicloud CX Private Edition

[Quick deployment tour](#)

Contents

- [1 Genesys Multicloud CX Private Edition Deployment overview](#)

Provides an overview of the overall deployment process.

Genesys Multicloud CX Private Edition Deployment overview

The following picture takes you through a quick tour of the steps involved in deploying Genesys Multicloud CX private edition.

Important

You must follow the same steps (as shown in the following picture) for setting up the cloud private edition infrastructure in different locations, for example, US West and US East. Repeat the same steps for setting up different environments such as pre-production, production, and so on.
