Important

The Release table lists the initial availability date for each release and the deployment environments for which a release is made available. Except when otherwise stated in the description for a specific release, each release includes all of the features and resolved issues that were introduced on earlier dates, regardless of the deployment environment. The features and resolved issues that apply only to a specific deployment environment are noted as such.

First availability	Released for	Highlights	Release number
October 29, 2021		Early Adopter Program support for Genesys Multicloud CX private edition deployments on OpenShift.	100.0.004.1001

October 29, 2021 

100.0.004.1001 available October 29, 2021

For private edition

- Starting with this release, Interaction Server is available for select customers in Genesys Multicloud CX private edition, as part of the Early Adopter Program. Deployments on OpenShift Container Platform (OpenShift) are supported.
