Genesys Multicloud CX Release Notes

[Genesys Multicloud CX Private Edition Release Notes](#)

5/6/2026

These Release Notes provide information about recent releases of Genesys Multicloud CX services, starting with March 31, 2021. Click the Release Date next to a particular service name to see detailed information for that release. The release date indicates the earliest date when a service release might be available in your environments. Some updates might not apply to all environments.

Updated in last 30 days

No releases in the last 30 days *The helm charts and containers for this service are provided by a parent service. Check the containers page for that parent service for the latest details.

Latest releases per service

Service	Release	Released On	Helm	Containers
