Genesys Multicloud CX Release Notes

Recording Cloud Backup Service Release Notes

1/24/2022

Not all releases or changes listed below may pertain to your deployment. Check the table below to see which releases apply to you.

Important

The Release table lists the initial availability date for each release and the deployment environments for which a release is made available. Except when otherwise stated in the description for a specific release, each release includes all of the features and resolved issues that were introduced on earlier dates, regardless of the deployment environment. The features and resolved issues that apply only to a specific deployment environment are noted as such.
