# Definitions

## End of Life Announcement Date

This is a general announcement, announcing the Last Order Date (“LOD”) of commercially available Genesys products, and the corresponding EOM and EOS dates.

From the EOL Announcement date onwards, it will no longer be possible to quote product(s) or Maintenance and Support on the EOL products to new Customers.

Up until LOD it will still be possible to quote add-on Orders for additional Seats (or such other previously Ordered License Unit Type/License Element), or Maintenance and Support renewals for Customers who already have the applicable EOL product(s) installed.

Notwithstanding the foregoing, outstanding quotes issued **prior** to the EOL Announcement date will be honored until expiration of their validity date

## Last Order Date

The ultimate date on which any additional Units of an EOL product can be ordered. From and after the LOD, no new quotes for such Units will be issued or accepted.

## End of Maintenance Date

From this date no Releases (e. g. fixes, updates, etc.) will be available for an EOL product.

## End of Support Date

From this date, all Genesys Maintenance and Support obligations cease.

## Frequently Asked Questions

### **Are customers entitled to any supported T-Server as a replacement for EOL/EOS T-Servers?**

- Yes. Customers are entitled (at no cost) to use any of the supported Genesys T-Servers. Customer migration to Genesys SIP solution is at cost.
