## Supplemental Information

The Genesys Framework Standalone set of products provide non-integrated screen pop solutions. Genesys has decided to EOL this platform since it does not allow customers to leverage the technology advancements of the rest of the Genesys suite. This End of Life Cycle notice enables our customers to update their environments to take advantage of newer integrated technologies for efficient working of their contact centers

### Customer Choices for New Product Purchase

- ❖ 'Framework to CIM Upgrade' and 'Inbound Voice (All T-Servers)'
- ❖ 'Framework to CIM Upgrade' and 'SIP'
- ❖ 'Framework to SBR - Upgrade' and 'Inbound Voice (All T-Servers)'. This option is offered in the APAC region only.
- ❖ 'Framework to SBR - Upgrade' and 'SIP'. This option is offered in the APAC region only.

### Entitlement

There is no Genesys Framework Standalone entitlement to the new products. The new choices have significant capabilities for improving customer contact center ROI.

## End of Life Announcement Date

This is a general announcement, announcing the Last Order Date (“LOD”) of commercially available Genesys products, and the corresponding EOM and EOS dates.

From the EOL Announcement date onwards, it will no longer be possible to quote product(s) or maintenance on the EOL products to new Customers.

Up until LOD it will still be possible to quote add-on orders for additional seats (or such other previously ordered metric), or maintenance renewals for Customers who already have the applicable EOL product(s) installed.

Notwithstanding the foregoing, outstanding quotes issued prior to the EOL Announcement date will be honored until expiration of their validity date.

## Last Order Date

The ultimate date on which any additional product units and add-ons of an EOL product can be ordered. From and after the LOD, no new quotes for either licenses or maintenance contracts containing the EOL product will be issued or accepted.

## End of Maintenance Date

From this date no software releases (e. g. fixes, updates, etc) will be available for an EOL product.

## End of Support Date

From this date, all Genesys maintenance and support obligations cease.

## Frequently Asked Questions

---

### Why has Genesys decided to EOL Framework Standalone Sellable Items?

Answer: Genesys Framework Standalone comprises old technology. The new integrated Genesys suite of products offers opportunities for customers to migrate their contact centers to new age and reap the benefits of advanced technologies.

### Why are Genesys Framework Standalone customers not entitled to advanced product choices?

Answer: The advanced product choices offer far more components, capabilities and features. The integrated solutions and new technologies provide much greater value. Although it offers some similar functionality, the advanced product choices are not the next versions of Genesys Framework Standalone, and the Genesys Framework Standalone entitlement does not apply to these products.
